The State of Hawaii Department of Transportation Highways Division Maui District and the County of Maui Department of Public Works are hosting a Construction & Post-Construction BMP Workshop. This training is for Maui Designers and Contractors who have an interest in County or State construction projects. The training will be a half-day workshop held on November 15, 2018 at the Maui Arts & Cultural Center.

We are finalizing our speakers and agenda and will send additional information in the next few weeks. Workshop topics will include:

- **BMP Plan Preparation, Implementation and Management**
- **Construction BMP Dos and Don'ts**
- **Post-Construction (Permanent) BMPs and the National Green Infrastructure Certification Program**

There is no cost to attend this event, but space is limited.

To confirm your attendance, please register at the following eventbrite link:
